IN A NUTSHELL

Secondworld's Summer Camp programme is designed so that your children have fun and give their brains some work-out. But not only ! We have also planned some outdoor activities. After all in summer the weather is fine !

Game sessions in Virtual Reality

3D Modelling principles and real-time 3D printing on our Prusa 3D

Games and programming / challenges with robots

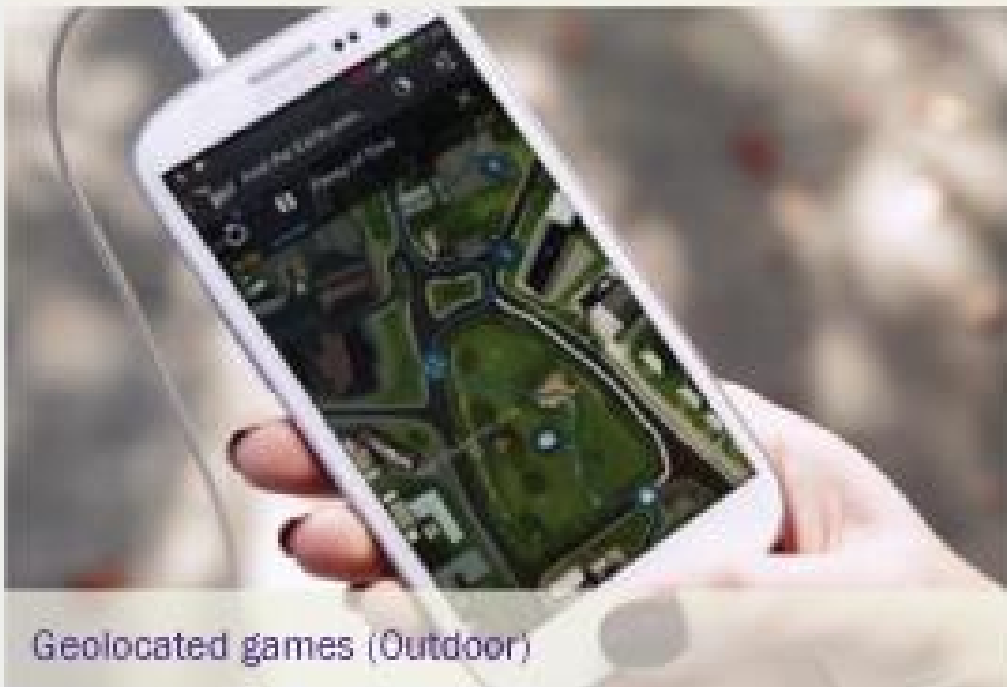

EN DEUX MOTS...

Planning and shooting of a movie in Virtual Reality (outdoor)

Drone flying in First Person View (indoor et outdoor)

Geolocated games (Outdoor)

Programme

Inscription sur www.secondworld.ch / info@secondworld.ch / 076 733 42 42
